

## Guidelines/Criteria for Cyber SEA Game

August 26<sup>th</sup>, 2015

### 1 Format of Cyber SEA Game

Jeopardy style. The categories of problems for the Final Match will be; Forensics, Reverse Engineering, CND (Computer Network Defence =Hardening) and Pentest.

### 2 National Qualification Match

#### 2.1 Support from Japan

- Cambodia, Lao PDR, Myanmar, and Thailand will be supported by Japan for their implementation of National Qualification Match. Japan also provides training to these four countries. Other related cost such as advertisement cost, venue, and snacks shall be covered by their country.
- Indonesia and Philippine will be provided the problem-set by Japan to be used for the National Qualification Match.

#### 2.2 Deadline

Each AMS including those countries listed in 2.1 shall select the national representative team/teams and notify their passport information to host organization (ID-SIRTII/CC) before **24<sup>th</sup> October, 2015**. ID-SIRTII/CC will reserve the ticket and send them e-ticket through the e-mail and reserve the accommodation.

#### 2.3 Criteria of Selection

AMS can select their team based on criteria and mandated requirement listed below.

If selected member cannot meet mandated criteria listed below, cost of their transportation, accommodation and Per Diem may not be reimbursed.

##### 2.3.1 Age limitation

They are less than 30 years old.

##### 2.3.2 Conditions for qualification

- They are not current National CERT member/staff.
- They are not government officials who are in charge of cyber security policy.

### **2.3.3 Ability**

AMS can select their team based on their decision and mandated requirement. But, the members should have at least basic IT/system engineering skills in one or two fields as listed in above 1.

## **3 Coverage of Cost**

### **3.1 Coverage**

Japan covers travel and accommodation of one team (3person)

- transportation from airport of capital city to Jakarta
- Accommodation in Jakarta for 10<sup>th</sup> and 11<sup>th</sup> of November
- Per Diem of two days.
- Flight fee shall be less than 700USD including tax and all related cost. Most economic and direct flight is eligible. If there are no direct flights, route shall be most efficient.
- Each AMS send flight fee estimation to host organization (ID-SIRTII/CC) and its constructor.

### **3.2 Additional team dispatching**

Each AMS can dispatch one more team by their expense

- No transportation, accommodation and Per Diem can be rewarded by JAIF or host organization (ID-SIRTII/CC)
- They are entitled to attend the Cyber SEA Game Final Match. They can be also invited to the Japan by JAIF expense if they are selected in the Final Match.
